ANOTHER WONDERFUL CURE! PRILADELPHIA, April 9, 1846. Last August a year, I caught a violent cold, in consequence of getting wet in a shower of rain. A circumstance so common gave me no immediate concern, supposing that I should soon get rid of it. On the contrary, however, I daily grew worse; a violent cough set in, then pain in my breast and between my shoulders. I how suffered great oppression from the great secretion of purulent matter in my lungs. I became greatly alarmed; and my friends epasadered my situation extremely critical, the more so as loss of appetite, heetic fever, and night sweats rendered me as weak as a child, and at night the sweat literally poured of me! This was my condition when I commenced using "Thomson's Compound Syrup of Tar and Wood Naphtha." I procured one bottle, and experienced so much benefit that I resolved to continue it. It is now six months since I ceased using the medicine, and the cure remains perfect. I firmly believe this medicine is far superior to every other remedy for Consumption of the Lungs. J. J. CHAMBERLAIN, No. 8, Carberry street. Affirmed and subscribed this 9th day of April, 1846, before me.

largest and oldest Tea Establisment in America,-

The public have had full proof of their integrity and responsibility. But such has been the great and pressing demand for their TEAS of late, that they have been obliged to enlarge, to a great extent, their two principal establishments in New York, viz: 125 CHATHAM AND 163 GREENWICH STREETS.

They moreover possess facilities, is relation to the Tea Trade, in a very abundant degree, and doubtless, superior to any other Tea Concern in America. Their scrupulous regard to all principles that tend to elevate the character of a large house, is well unders ood, and has aiready secured them a connection, probably, larger than all other Tea Establishments united, and they consequently are determined

the prices, in the aggregate, than any house in the world—China excepted.

They most zealously invite the attention of the inhabitants of WASHINGTON, D. C., to their habitants of WASHINGTON, D. C., to their Agency, where the following assortments are always on band; and they feel no he-station in stating that wherever a single trial is made, a very decided preference is given to the celebrated Teas of the UAN TON TEA COMPANY.
